Dear Lou:

A bout the sports program-

We have a sports show that goes on the air for five minutes, 10:25-10:30, five times weekly. It's the same program that ARROW had during their campaign. The announcer, Ken Mills, has a good campus following. He does all the sports news programs as well as the athletic events that we broadcast.

Our spring term will begin January 25th. We start broad - casting then.

We will broadcast from January 25th through May 26th. During this period the week of April 3rd through April 11th will be excluded.

As to service men-

There are 200 Army Post Exchange Officers in training. 900 naval officer trainees. 400 more naval students are to come in on February 1st. The aggregate at that date will be 1500 service men.

Hope the Cigar business is coming along - it would definitely be nice!

May be in Wednesday and if so will drop up.

Sincerely,

Addison R. Taylor
